RG104 E-1 Box 130

Mint of the United States at Philadelphia,

November 14, 1883.

Hon. A. London Snowden.
Superintendent.

Sir.

I would recommend the alteration of all the Coin Cases in the Cabinet, to correspond with the centre case.

The sash of the flat cases be altered to one pane of thick glass, instead of two of thin glass, as at present.

And also the printing of a number of labels.

R. A. McClure
Curator.

R.A. McClure
Curator

Recomends:

1. The alteration of all the coin cases to correspond with the centre cases.

2. The flat cases to have one thickness of two thin panes of glass.

3. The printing of a number of labels

[Abstract:] Recommends… 1115

Mint of the United States at Philadelphia,
November 14, 1883

Hon. A. Loudon Snowden,
Superintendent.

Sir.

I would recommend the alteration of all the coin cases in the Cabinet, to correspond with the centre case.

The sash of the flat cases be altered to one pane of thick glass, instead of two of thin glass, as at present.

And also the printing of a number of labels.

R.A. McClure
Curator.
